

SUNDAYS 6PM

Join us for our current Sunday Evening sermon series: **CONNECTED** Through Christ.

More than ever before, people need Godly connections. For the next six weeks we will learn what it means to be part of a church that is truly connected in Christ.

Sunday 6pm - Learn Biblical doctrine behind being connected in Christ.

Monday - Wednesday - Grow through practical Bible reading and study questions (given Sunday night).

Wednesday 7pm - Get connected! After a brief Bible study, join us as we break up into Prayer & Care groups to discuss Bible study questions and share prayer requests.
